THE UNIVERSAL AFT GALLEY 16/6

The seating versatility of this interior, which accommodates 16 passengers with berthing for 6, make it one of the most popular design options with FORTUNE 500® companies. The spaciousness of the forward six-place club grouping makes it an excellent work area, while the mid four-person divan and two-place club offer a relaxing conversation area. The aft four-person conference grouping, adjacent to the galley, doubles as a group work area or a dining area.
