Interior (Original)

6-passenger cabin configuration features an additional 2 certified seats, which includes a jump seat and a belted lavatory.

Forward Galley: Fully equipped, offering enhanced storage capacity. Includes stone flooring and countertops, a forward-facing jump seat, a microwave oven, a coffee brewer, a thermo-acoustic curtain for the main door, and features the high-power outlet option.

The forward-facing jump seat conveniently retracts into the closet and is equipped with a full audio panel.

The galley sink is fully operational with hot and cold water, offering a 15-liter capacity that can be drained effortlessly with a single push of a button from the cockpit.

Main Cabin: Adjacent to the forward galley is a pocket door that separates the galley from the main cabin. The mid cabin offers a four-place club seating arrangement with foldable tables and power outlets next to each seat (low power outlet option).

Following the four-place club, the aft cabin features two forward-facing executive seats with foldable tables and power outlets.

Aft Lavatory: Includes a belted lavatory, stone flooring, and stone countertops, and a pocket door. The vacuum lavatory system has an 18-liter water capacity. The sink is fully operational with hot and cold water and can be easily drained with a single push of a button from the cockpit.

High-Power Outlets: The high-power outlet option converts 28VDC to 115VAC/60Hz, providing two additional output ports with a combined power of 1200 VA. There is one in the galley and one in the lav.

Exterior (Original w/ Touch Ups 2019)
