Interior *(Original)*

This aircraft features an Executive Six-Seat + Two-Standard Tundra interior configuration. The cabin offers fully reclining and swiveling seats with adjustable headrests, lumbar support and leg rests, ensuring exceptional passenger comfort. The interior is finished in light-beige leather with subtle contrasting inserts, complemented by refined light wood cabinetry, neutral carpeting and executive folding tables, creating a bright and modern cabin environment.

Exterior *(Original)*

Original white exterior with dynamic blue accent striping, presenting a clean and modern appearance.
