ABOUT US

At Guardian Jet, we elevate corporate jet decisions to a higher strategic level.

Founded 17 years ago in 2002, our core concept has always been to earn the right to buy and sell aircraft on behalf of our clientele by providing consistent business value to our clients.

We do this by offering excellent consulting advice, market intelligence and flawless execution.

Our unmatched experience, combined with proprietary data analytics, help us deliver the insight you need to make aircraft decisions, and help you manage your aviation assets to maximize value and drive down ownership costs.

A passion for aviation is a common thread that drives our focus on integrity and industry expertise.

WHAT WE DO

- Aircraft Valuations
- Fleeting Planning
- Aircraft Acquisitions
- Aircraft Sales
- Asset Management
- Transition Planning
- Financial Projections

NOTE: This aircraft is brokered by Guardian Jet, LLC

Prospective purchasers are encouraged to conduct their own independent pre-purchase inspection as Guardian Jet, LLC makes no representations as to the airworthiness of the aircraft or the accuracy of the above information. Specifications are subject to verification upon inspection. Aircraft subject to prior sale. 2019 08 19 / CC
