-------------------	--------------------------

INTERIOR

INTERIOR DESCRIPTION

This beautiful and versatile Eurocopter features a 4 passenger VIP with two forward facing and two aft facing VIP seats upholstered in tan leather. A LifePort cabinet, veneered in Carl Booth French Walnut Veneer, is located between the aft facing seats which incorporates an ice drawer and snack drawer. Between the forward facing seats there is a matching LifePort mini cabinet which features a pull out drawer containing 4 life vests. The cabin floor is covered with a high quality beige carpet. A MedAire Aircraft First Aid Kit is secured above the aft facing cabinet. Access to the passenger cabin is by way of left and right side sliding doors. The sliding door windows and aft side windows, both left and right, are by Tech Tools, Inc. A baggage divider separates the passenger cabin from the main baggage bay which is accessed via dual aft baggage bay clamshell doors.
